AREA-WIDE DISTRICT NO. 1, PLUM/WHITE'S CANYON
AND LANDSCAPING AND LIGHTING ACT
DISTRICT NO. 4, ZONE NO. 76 TESORO ADOBE PARK

IT IS RECOMMENDED THAT YOUR BOARD:

6. Designate the Director of the Department of Parks and Recreation to accept, on behalf of County Valencia Area-Wide District No. 1 and LLA District No. 4, the Grants of Easement to designated areas and open space pursuant to the tract conditions approved for the annexations.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

These recommended actions are for your Board to annex additional territory within County Valencia Area-Wide District No. 1 and LLA District No. 4; to set a date for a public hearing upon establishment of the Fiscal Year 2003-04 annual assessment for each annexed area to provide landscape and park maintenance services subject to the requirements of Proposition 218; and to approve and file the enclosed Engineer's Reports. These actions are pursuant to the provisions of the Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code of the State of California and provide funding for the operation of the aforementioned County-administered District Zones.

The Resolution of Intention to levy and collect assessments is limited to the proposed annexation areas in County Valencia Area-Wide District No. 1, Annexation B - Plum/White's Canyon and LLA District No. 4, Zone No. 76 Tesoro Adobe Park for Fiscal Year 2003-04.

Another Board letter and Resolution of Intention will be filed to set a date for a public hearing to establish the annual per parcel direct assessment for the existing Zones within LLA Districts Nos. 1, 2 and 4.

County Valencia Area-Wide District No. 1, Annexation B - Plum/White's Canyon

Shapell Industries, Inc., developer of the unincorporated area known as Plum Canyon (Tentative Tract No. 46018) has requested the annexation of 94,850 sq. ft. of landscaped medians along Plum Canyon Road and White's Canyon Road into County Valencia Area-Wide District No. 1, to be known as Annexation B - Plum/White's Canyon.

Shapell Industries, Inc.'s development consists of 2,000 proposed commercial and residential units.

The proposed annexation of this territory will provide the method to raise funds for the maintenance and servicing of the landscaped medians installed by the developer. The landscaping improvements may consist of shrubs, plant materials, trees, automated irrigation systems, drainage devices and appurtenant facilities.

LLA District No. 4, Zone No.76 Tesoro Adobe Park

Montalvo Properties, LLC and SunCal/Tesoro LLC have requested the annexation of the unincorporated area known as Tesoro del Valle (Tentative Tract No. 51644) into LLA District No. 4, to be known as Zone No. 76 Tesoro Adobe Park.

The proposed annexation of this territory will provide the method to raise funds for the maintenance and servicing of park and landscaping improvements. These improvements may include but are not limited to: shrubs, turf, trees, automated irrigation system, concrete walkways, steel fencing, brick patio area, fountain, asphalt parking area, amphitheater, six historic structures and appurtenant facilities.

On July 12, 1979, August 10, 1995 and July 22, 1997, your Board approved the formation of County Valencia Area-Wide and Lighting Act (LLA) District No. 1, and County LLA District Nos. 2 and 4 and Zones therein, respectively, for the purpose of providing landscaping in County-administered Landscaping and Lighting Act Districts and Zones therein pursuant to provisions of the Act. As the governing body, the Board of Supervisors is responsible for levying the annual assessment for landscape and park maintenance purposes.

On June 12, 1979, your Board approved a method of distributing maintenance costs on the basis of land use and/or benefit and this same method will be used to compute the Fiscal Year 2003-04 assessments. This method and the proposed assessments on the various lots or parcels are shown in detail in the Engineer's Reports.

Implementation of Strategic Plan Goals

These actions meet the County's Strategic Plan Goals of Fiscal Responsibility (Goal Four) and Service Excellence (Goal One). These recommendations, in compliance with the Landscaping and Lighting Act of 1972 and Article XIID of the California Constitution, will allow the County to service and maintain the park, landscaping and appurtenant facilities that benefit those that live within these zones.

FISCAL IMPACT/FINANCING

Services provided in the Districts, and Zones therein, are funded by the assessments established by the Board of Supervisors. Therefore, there is no impact to the General Fund. The recommended new annual assessment of \$12.05 per Equivalent Dwelling Unit (EDU) for County Valencia Area-Wide District No. 1, Annexation B - Plum/White's Canyon and \$57 per EDU for LLA District No. 4, Zone No. 76 Tesoro Adobe Park will provide the funds needed for maintenance, servicing and administrative costs associated with the improvements during Fiscal Year 2003-04.

Commencing with Fiscal Year 2004-05, the assessments may be increased annually for inflation, based on the Consumer Price Index, All Urban Consumers - for the Los Angeles-Riverside-Orange County Area (CPI), as determined by the United States Department of Labor, Bureau of Labor Statistics, or its successor. Should the Bureau of Labor Statistics revise such index or discontinue the preparation of such index, this Department shall use a revised index or comparable system for determining fluctuations in the cost of living, as approved by the Board.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Act sets forth a procedure that must be followed for any fiscal year during which an assessment is to be levied. It requires that the legislative body adopt a Resolution Initiating Proceedings and generally describing any proposed improvements or substantial changes in existing improvements. The legislative body also must order the Director of the Department of Parks and Recreation to have prepared and filed an Engineer's Report in accordance with Section 22565 et seq. of the Streets and Highways Code. The report will show an estimate of, and a proposed assessment to pay for, the costs of providing landscape and park maintenance services. The Act provides a method of funding an assessment district with assessments being collected via the consolidated tax bill. This provides for the assessment of landscape and park maintenance costs against the benefiting properties.

Proceedings for the annexation of territory to an existing Los Angeles County LLA District under the Act are initiated by Resolution pursuant to Section 22608 of the Streets and Highways Code and Article XIID, Section 6 of the California Constitution. In annexation proceedings, the Resolution, Report, Notices of Hearing, and Right of Majority Protest are limited to the territory proposed to be annexed.

The passage of Proposition 218 in November 1996 added Articles XIIC and XIID to the California Constitution. Article XIID contains additional requirements to those found in the Act that must be followed for the levying of new or additional assessments and the filing of the Engineer's Report. County Valencia Area-Wide District No. 1, Annexation B - Plum/White's Canyon and Zone No. 76 Tesoro Adobe Park require assessment ballots to approve new assessments.

Your Board is required to conduct a public hearing upon these proposed assessments not less than 45 days after mailing the notice of the proposed assessment to the property owners. The developers of each proposed annexation area are the owners of the properties and have provided written petitions requesting the proposed annexations. A notice and ballot will be mailed to each property owner within County Valencia Area-Wide District No. 1, Annexation B - Plum/White's Canyon and LLA District No. 4, Zone No. 76 Tesoro Adobe Park, in compliance with Article XIID of the California Constitution.

Any new or additional assessment that is subject to the notice and hearing provisions of Article XIID of the California Constitution is not subject to the notice and hearing requirements of Government Code Section 54954.6.

Honorable Board of Supervisors
April 29, 2003
Page 7

Pursuant to the approved tentative tract conditions, the developer is required to install the improvements, as approved by the District and grant to the District maintenance easements for designated areas. When the required improvements are completed to the satisfaction of the District and executed Grants of Easement are received, the designated areas will be accepted by the District for maintenance and servicing.

County Counsel has approved the enclosed Resolutions as to form.

ENVIRONMENTAL DOCUMENTATION

Approval of the proposed action to levy and collect assessments is statutorily exempt from the California Environmental Quality Act pursuant to Section 21080(b) of the Public Resources Code. Approval of the proposed annexations is categorically exempt from the California Environmental Quality Act (CEQA) according to Section 1501 and Subsection 15301 (h) of State CEQA Guidelines.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of these recommendations will be a benefit to the Plum Canyon and the Tesoro del Valle development communities through the beautification, maintenance and servicing of landscaped medians, park areas and appurtenant improvements.

CONCLUSION

It is requested that an executed copy of this document be retained by the Executive Officer-Clerk of the Board, one conformed copy each be forwarded to the Chief Administrative Office, County Counsel, Auditor-Controller, and two conformed copies be forwarded to the Department of Parks and Recreation, Special Districts Division.

Respectfully submitted,

Tim Gallagher
Director
